**LAWRENCE
BUSINESS
MAGAZINE** Since 2011

The only local magazine dedicated to telling the stories of people and businesses making a positive impact on Lawrence & Douglas County. All of our advertisers have a stake in the local economy - we ask you to first consider them before looking to source your needs outside of the community. We believe that to have a strong community you must be supported by businesses and people with a stake in the community.

TRANSFORM YOUR CAREER

Earn your MBA from Washburn University

Washburn University's Master of Business Administration program provides the knowledge and real-world experience necessary to advance your career and enhance your professional skills, regardless of your academic background or prior work experience. An undergraduate business bachelor's degree is not an admission requirement.

Whatever type of program you're wanting – traditional in-person, completely virtual or something in-between – Washburn's MBA program can accommodate. Our program is designed to be flexible and completely customizable to meet the needs of working professionals like you. You can take classes part-time at your own pace or finish your degree in as few as 12 months.

In our program, you'll learn from our diverse faculty with vast real-world experience and professional connections. You'll build on your managerial, communication and leadership skills, leading to numerous personal and professional opportunities to transform your career and take you to the next level professionally.

Something special starts here.

At LMH Health, our purpose is to be a partner for lifelong health. To fulfill that purpose, we're committed to making everyone's health our priority. That's broader than the conventional approach to most hospitals and healthcare. It's about keeping people healthy, which is a much bigger commitment than treating you only when you're sick. It means increasing opportunities for everyone to live the healthiest life possible.
